# TABLE of CONTENTS

# ADAPTABILITY

Eliminate the need for two monitors by using Ventis MX4 for **personal monitoring and confined space entry**. Ideal for operators who use monitors primarily for personal protection and occasionally require a pump, the Ventis® Slide-on Pump installs with no tools and has a 50-foot draw.

# LOWER LIFETIME COST

Reduce your **total cost of ownership** with a four-year warranty that ensures the Ventis MX4 stands the test of time in a range of industrial settings. Warranty covers instrument hardware and select sensors (CO, H<sub>2</sub>S, O<sub>2</sub>, and LEL).

# LIGHTWEIGHT DURABILITY

A rugged yet **lightweight and wearable design** means the Ventis MX4 moves with you—without getting in your way.

# 4

## SENSOR OPTIONS

With **eight sensor options**, you can configure your Ventis MX4 to detect up to four gas hazards simultaneously. Plus, you're covered by a four-year warranty on CO, H<sub>2</sub>S, O<sub>2</sub>, and LEL sensors.

Get reliable, four-gas detection from the name you trust.
